

ISDRS 2011 Poster Session

General Information

When is the poster session?

The “formal” poster session is scheduled for the first evening of the conference on Wednesday, December 7th from 6-8:30 pm. Since there are more than 100 poster presentations, we ask that authors with odd numbered posters (i.e. WP11-01-01, WP11-01-03, WP11-01-05, etc.) be at their poster from 6-7:15 pm. We ask that authors with even numbered posters (i.e. WP11-01-02, WP11-01-04, WP11-01-06, etc.) be present at their poster from 7:15-8:30 pm.

Where will the posters be located?

Posters will be on display in the Grand Ballroom. This location, combined with the refreshment breaks and lunch, will allow for good exposure and good interactions.

When can the posters be mounted?

Presenters can mount their posters between 12:30 pm and 1:30pm on Wednesday, December 7th. We encourage authors to mount their posters as soon as possible before the sessions begin on Wednesday afternoon.

Is the Opening Reception and Poster Session on Wednesday evening the only time posters can be viewed?

No. The posters will be up in the Grand Ballroom for the entire conference. We encourage people to check out the posters during coffee breaks, lunch breaks and free time.

What is the size of the poster?

The poster boards are 8 feet (2.44 meters) wide and 4 feet (1.22 meters) high. The boards are designed to hold 2 posters on each side. Posters should be no larger than 4 x 4 feet (1.22 x 1.22 meters). We recommend a size of 3.5 x 3.5 feet (1 x 1 meter).

How are the posters organized?

The posters will be organized by session code. Simply find your assigned session code and mount your poster.
